

**SAN DIEGO
AUTOMOTIVE
MUSEUM**

We are pleased and thankful for Susan and Bill Hoehn's caring and support of our efforts to help make the San Diego Automotive Museum a world-class destination telling the story of the automobile's contribution to our country and also for our future plans to create a meaningful vocational training center for students and at-risk youth.

- Reena Horowitz and Jeanne Jones - All Revved Up! Event Co-Chairs

HONORING BILL AND SUSAN HOEHN

Bill, Susan, and Ted Hoehn at San Diego Automotive Museum

SPECIAL APPEARANCE BY DON "THE SNAKE" PRUDHOMME

Motorsports Hall of Fame of America, Drag Racing, Class of 1991

THE SAN DIEGO AUTOMOTIVE MUSEUM AND OUR COMMUNITY

The Mission of the San Diego Automotive Museum (SDAM) is to tell the story of the social and technological past, present, and future of motorized vehicles throughout its collections, exhibitions, and educational programs. At the San Diego Automotive Museum, we strive to be as diverse and inclusive as the vehicles we display. In October 2021, SDAM will launch a Capital Campaign to raise \$22 million to expand its 37,000 square foot building with an additional 34,000 square feet of space for our incredible display of cars and motorcycles.

To celebrate our exciting plans for the future, SDAM will hold our inaugural event **"All Revved Up!"** on Saturday, October 16, 2021. This fun & elegant outside event, to be held on the newly renovated Pan American Plaza in Balboa Park, will honor Bill and Susan Hoehn.

Since our founding in 1988, SDAM has joined other Balboa Park institutions in community outreach, education, events and festivals at the park. We proudly partner with San Diego City Schools and E3 Civic High Schools, Grossmont, and Mesa Colleges, as well as state-run programs such as CaPROMISE and San Diego Unified ROP. SDAM supports 15-22 interns annually who wish to train in museum operations and the automotive trade. The Museum offers summer camps and STEAM-based school group visits to thousands of local children every year, many of whom come from underserved areas and schools at no cost.

Plan your next visit to the San Diego Automotive Museum today to show your support!

Lenny Leszczynski, CEO
San Diego Automotive Museum
